MEMORANDUM

TO: MAJOR GENERAL DONOVAN

Apropos of your memorandum of November 17/8, 1944, relative to the establishment of a central intelligence service, I should appreciate your calling together the chiefs of the foreign intelligence and internal security units in the various executive agencies, so that a consensus of opinion can be secured.

It appears to me that all of the ten executive departments, as well as the Foreign Economic Administration, and the Federal Communications Commission have a direct interest in the proposed venture. They should all be asked to contribute their suggestions to the proposed centralized intelligence service.
